THE STORY SO PAR: What up, y'all? Jesse McCann, a.k.a. Fat McDaddy here. After jammin' through the netherwold of "Insane Clown Posse: The Pendulum," me and Jumpsteady decided it's time to freak awhile with some hella fresh stories that fly off ICP's CDs and right into yer brain jelly! Straight? We picked some of the baddest ICP songs and along with Gerardo Sandoval's mean-ass penciling, we've laid down some comix interpretations Wicked Clown style. In this first issue we tell a tale of funway rides and just dessert. 50 sit back in yer beanbag, knock back some Faygos, fire up the headphones . . . and enter The Halls of Illusion!
